

**RapidAir** is a complete compressed air distribution system that is designed to easily install beneath walls of new construction, or on wall surfaces of existing workshops.

## Air Anywhere

No more dragging the compressor behind you and untangling the air hose and electrical cords. Reduce shop clutter and have constant compressed air instantly, anywhere.

## Economical

An alternative to black or copper pipe installations, the modular design makes it less expensive to install than the traditional methods. With the RapidAir system there is no interior pipe corrosion, which results in longer tool life.

## Easy to Install

The RapidAir system includes professional quality Rapid Fittings, air distribution manifolds, air outlets, and nylon tubing. The system is engineered to maintain 150 psi.

**Install it yourself...** you can easily disassemble and re-modify your system. There are no special tools required to make your workspace more efficient and professional looking.

## RapidAir Fittings

RapidAir fittings are designed to make installation fast and easy. Simply push the tubing firmly into the fitting until seated. If removal is desired, push in evenly on release button and pull tubing out of fitting.

Elbow

Tee

Manifold

Outlets have multiple ports and can be assembled and mounted in a variety of ways

**Surface Mount**  
Air line is mounted to wall

**Hidden Mount**  
Air line is inside wall

**Exterior Mount**  
Air outlet is mounted outdoors

**Ceiling Mount**  
Air outlet is mounted on ceiling

1/2" Nylon Tubing  
1/2" OD x 3/8" ID Tubing  
*Sold in 100 ft. roll.*

Working Pressure 150 PSI  
Temperature Range:  
-40°F to +180°F

Our nylon tubing is lightweight,  
corrosion/abrasion resistant  
and extremely durable.  
Compressor oils have  
no effect on it's  
performance.

## 90500 Master Kit

- (1) 20100 100 ft. Tubing and Cutter
- (2) 90120 Aluminum Outlet Block
- (1) 90220 Aluminum Manifold Block
- (6) 50100 3/8 NPT Straight
- (4) 50300 Union Elbow
- (2) 50120 Hand Valve
- (2) 50125 1/4 NPT Brass Nipple
- (2) 50130 1/4 NPT Brass 45 Degree
- (3) 50135 3/8 NPT Brass Plug

## Enhance your Master Kit with these RapidAir accessories:

**90100  
Outlet Kit**  
AIR Chucks not  
included

**90200  
Manifold  
Kit**

**50300  
Elbow**

**20100  
100'  
Tubing Kit**

**20200  
Tubing  
Clips**

**50400  
NPT Elbow**

**50100  
NPT**

**50200  
Tee**

**50500  
Union**

## Compressed Air Piping System

**Air Anywhere.  
Easy to Install.  
Economical.**
