This project exemption certificate has been issued to a business which meets the requirements established in K.S.A. 74-50,115, and amendments thereto if an HPIP certified business or K.S.A. 79-3606(hhhh), and amendments thereto if an agricultural business. As such, K.S.A. 79-3606(cc) or K.S.A. 79-3606(hhhh), and amendments thereto, provide an exemption from all sales tax on the sale of tangible personal property and services purchased for the purpose of and in conjunction with the construction, reconstruction, enlarging or remodeling of a business. The exemption also applies to purchases of machinery and equipment purchased and installed at any such business. **This exemption, however, does not extend to any type of a motor vehicle or trailer.**

OWNER OF A "BUSINESS"- A copy of the project exemption certificate should be furnished to each contractor or subcontractor who contracts for the furnishing and installing of tangible personal property in connection with the business and to each retailer from which the business purchases tangible personal property or services for incorporation into the project.

CONTRACTORS, SUBCONTRACTORS-A copy of this project exemption certificate is to be furnished to each of the contractor's suppliers of tangible personal property for the project. The exemption certificate also provides an exemption to the contractor or subcontractor from payment of sales or compensating tax directly to the state on tangible personal property or services furnished for the project.

RETAILERS-A copy of this certificate must be retained by the retailer in the same manner as other types of exemption certificates. All invoices issued to the contractor for this project shall bear the number of this project exemption certificate.
