By using this certificate, you agree that:

- you are a qualified manufacturer, processor for hire, or business that engages in testing for a manufacturer or processor for hire, **and**
- you will use the items you buy directly in a manufacturing, processing for hire or testing operation.

# Seller/Marketplace facilitator must retain the original of this certificate for their records.

#### Do not send a copy of this certificate to the Department of Revenue

By signing this certificate, you are agreeing that you are fully aware of the legal penalties for fraud and tax evasion.

Buyer or Authorized agent of buyer (please print)		
Signature	Title	Date

### You can use this exemption for machinery and equipment that:

- acts upon or interacts with an item of tangible personal property
- conveys, transports, handles, or temporarily stores an item of tangible personal property at the manufacturing site
- controls, guides, measures, verifies, aligns, regulates, or tests tangible personal property
- provides physical support for or access to tangible personal property
- produces steam or mechanical power for, or lubricates machinery and equipment
- produces another item of tangible personal property for use in the manufacturing operation or research and development operation
- places tangible personal property in the container, package, or wrapping in which the tangible personal property is normally sold or transported
- is integral to research and development, or
- is a repair and replacement part or repair/cleaning labor for eligible items.

#### You cannot use this exemption for:

- consumable items
- hand-powered tools
- property with a useful life of less than one year
- building fixtures that you affix to the building that become a physical part of the building, and are not integral to the manufacturing operation. This includes utility systems for heating, ventilation, air conditioning, communications, plumbing, or electrical.
