General information

When is a Certificate of Resale required?
 Generally, a Certificate of Resale is required for proof that no tax is due on any sale that is made tax-free as a sale for resale. The purchaser, at the seller's request, must provide the information that is needed to complete this certificate.

Who keeps the Certificate of Resale?
 The seller must keep the certificate. We may request it as proof that no tax was due on the sale of the specified property. Do not mail the certificate to us.

Can other forms be used?
 Yes. You can use other forms or statements in place of this certificate but whatever you use as proof that a sale was made for resale must contain

- the seller's name and address;
- the purchaser's name and address;
- a description of the property being purchased;
- a statement that the property is being purchased for resale;
- the purchaser's signature and date of signing; and
- either an Illinois registration number, an Illinois resale number, or a certification of resale to an out-of-state purchaser.

Note: A purchase order signed by the purchaser may be used as a Certificate of Resale if it contains all of the above required information.

When is a blanket certificate of resale used?
 The purchaser may provide a blanket certificate of resale to any seller from whom all purchases made are sales for resale. A blanket certificate can also specify that a percentage of the purchases made from the identified seller will be for resale. In either instance, blanket certificates should be kept up-to-date. If a specified percentage changes, a new certificate should be provided. Otherwise, all certificates should be updated at least every three years.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
