Manufacturing and Processing Industrial Machinery, Energy Fuels and Water Sales and Use Tax Certificate of Exemption

The taxpayer is principally engaged in fabricating or processing tangible personal property for resale at the facility and, therefore, may purchase exempt from sales and use tax:

- machinery and equipment, with all associated parts, appurtenances, accessories, hydraulic fluids, lubricating oils, and greases, that are necessary to and primarily for the fabrication or processing of tangible property for resale
- repair parts and repair and installation services for such qualified industrial machinery
- pollution control facilities used to control air or water pollution resulting from such fabricating or processing

In addition, the taxpayer may pay a reduced state and local sales and use tax rate of 1.5% on purchases of water and a reduced state tax rate of 1.5% on purchases of energy fuel for use at the above facility address.

This certificate of exemption may not be used to make purchases without tax for use at other locations.
