

MAINE PINE TREE ZONES

Nyle Systems, LLC and Nyle Water Heater Systems, Inc. | AMD 2

Is a certified Pine Tree Development Zones (PTDZ) business in the State of Maine

This is a qualification certificate for **Nyle Systems, LLC and Nyle Water Heater Systems, Inc. | AMD 2** identifying Manufacturing as the eligible sector. The qualified business activity for their development project at the 12 Stevens Road, Brewer (Map 20/Lot 19) and 690 Maine Ave, Bangor (Map 102/Lot 6) PTDZ locations is the manufacture of lumber dry kilns, food dehydrators and heat pump water heaters.

Initial planned investments include land and/or building investments and the purchase of machinery and equipment. In addition, the businesses intend to create quality jobs with corresponding payroll. To receive PTDZ benefits, the businesses have agreed to hire and retain a minimum of one (1) net new qualified employee above the base level established in the Department's certification letter.

This certificate allows the businesses to benefit from any of Maine's tax incentive programs for which their development project remains qualified for the next 10 years. This certificate is for the above-named businesses only and cannot be transferred or acquired.

Heather Johnson, Commissioner

Maine Department of Economic & Community Development
