

COMPRESSED AIR PIPING SYSTEM

- Fast & Easy to Install
- Leakproof
- Professional Grade
- Cost Effective
- Corrosion Resistant
- Energy Efficient

FAST PIPE[®] BY RAPIDAIR

Size Range: 3/4" thru 6"

Rigid Aluminum Piping

- Operating Pressure 190psi
- Temperature Range 0 to 140°F
- Aluminum grade 6063-T5

Compression Style Fitting

- Nylon 6 material
- Nitrile o-ring seal
- Stainless steel bite ring
