This certifies that the person or entity identified above is a "Manufacturer," as defined by Louisiana Revised Statute 47:301(3)(i)(ii)(bb). The purchaser is authorized to issue this certificate to a seller of tangible personal property to certify that the property purchased, used, leased, or rented will be used as an integral part of production so as to qualify as "machinery or equipment," as defined in Louisiana Revised Statute 47:301(3)(i)(ii)(aa). This is not a direct payment authorization. This certificate relieves the seller from collecting, and the purchaser from paying, the Louisiana state sales tax on the purchase price, cost price, gross proceeds, monthly lease or rental price paid, or monthly lease or rental price contracted or agreed to be paid on the tangible personal property.

The purchaser assumes full liability if the sale, use, or lease or rental is later determined to have not been qualified for exclusion. The deliberate misuse of this certificate by the person or entity listed above will subject the purchaser to all penalties provided by law.
